

Wittersham Church of England Primary School

24th March 2016

Dear Parents and Carers,

I have been looking at the link letters over the last four weeks and there has been so much to celebrate in such a short term!

In the build up to Easter, the WSA held Easter egg hunts for every class where the children searched for numbered, cardboard eggs and collected them up for points. Our Christian value of kindness was highlighted when children could be seen helping one another to search and when one of our Year 2 boys shared his points after noticing another child who hadn't managed to find any. Small acts of kindness really do make a difference.

Our Easter service was on Tuesday and every class performed a poem which they had either written themselves about Easter and Spring or a classic poem from an author they had selected. Reverend Darkins led the service and I would like to thank parents and families who were able to come along to the church to make the day extra special. Pupils in Vikings, Oxney and Rother had already been to the church that morning for an 'Experience Easter' event where members of the community walked the children through the grounds and different stations to illustrate the Easter story.

Once again the children have been Wittersham winners in Kent school games this week. This time it was Year 5 and Year 6 children who participated in the Ashford Hockey trials. Our 'Wittersham Warriors' won gold medals for finishing first place in their group and the 'Wittersham Stars' won medals for the 'Spirit of the Games' award for excellent sportsmanship. Well done to everyone.

I wish you all a restful and enjoyable break and look forward to seeing the children back in school on the 11th of April.

Best wishes,

Claire Frost
Headteacher
