

Year 3/4 Home Learning Projects

Week 2 – The area you live in.

<p>Weekly Maths Tasks (Aim to do 1 per day)</p> <ul style="list-style-type: none">• Working on Numbots, Mathletics and TT Rockstars - your child will have an individual login to access this.• Play on Hit the Button - focus on number bonds, halves, doubles and times tables.• Adding totals of the weekly shopping list or some work around money.• Practise telling the time. This could be done through this game (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes.• Get a piece of paper and ask your child to show everything they know about Subtraction. This could be pictures, diagrams, explanations, methods etc. They can be as creative as they want to be.• Practise counting forwards and backwards from any given number in 10s.	<p>Weekly Reading Tasks (Aim to do 1 per day)</p> <ul style="list-style-type: none">• You could share a story together. This could be a chapter book where you read and discuss a chapter a day.• Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.• Engage in PictureNews. What did you find out? Is there anything you need help understanding?• Get your child to read a book on Oxford Owl, discuss what your child enjoyed about the book.• Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word?• With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers.
<p>Weekly Spelling Tasks (Aim to do 1 per day)</p> <ul style="list-style-type: none">• Work on Spellodrome – your child will have an individual login to access this.• Practise the Year 3/4 statutory spellings.• Practise your spelling on Spelling Frame.• Choose 5 words. Write synonyms, antonyms, the meaning and an	<p>Weekly Writing Tasks (Aim to do 1 per day)</p> <ul style="list-style-type: none">• Write a diary entry summarising the events from the day/week.• Write an information report about their local area. Remember to include headings and subheadings.• Choose an interesting building they have found out about and write a list of questions they would like to ask.

<p>example of how to use the word in a sentence. Can the word be modified?</p>	<ul style="list-style-type: none"> • Write a story about a stranger coming to their local area. What happens? Is it a good thing? Or does something terrible happen? • Write a setting description to describe their local area. What is in their local area? What do they like/dislike about it and why?
--	---

Learning Project - to be done throughout the week.

The project this week aims to provide opportunities for your child to learn more about the area in which they live. Learning may focus on your local area, famous people and key landmarks.

- Let's Wonder - Think about their street. What type of houses are on their street? What type of house do they live in? What other buildings are close by? Find out about their local area, what different buildings does it have? How old are some of those buildings? How have they changed over time? Use a map to locate different places. Draw their own map of their local area.
- Let's Create - Choose a building they most admire in their local area. Make a model of that building using materials of their choice. (Playdough, junk modelling, lego etc.). How well did they do? What would they do differently next time? What have they learnt?
- Be Active - Get out into the garden, pull up some weeds or mow the lawn? Does their garden need a tidy up? Maybe they could plant some seeds. Recommendation at least 2 hours of exercise a week.
- Time to Talk - Were their family members all born in this local area? If not, how is their place of birth different to their own local area? If they were, how different is the local area since they were born? Talk about their memories of how it has changed.
- Understanding Others and Appreciating Differences - Research different places of worship that can be found in their local area. Can they find their nearest Church? Mosque? Synagogue? Temple? Gurdwara? What can they find out about them? Draw pictures and label them with any information they find out.
- Reflect - Think about what would improve their local area? What is their local area lacking? What spoils their local area? What could be done?
