Dear Windmills,

I hope you have had a lovely week. Have you been learning all about different parts of the world? We have been following the same planning in school as you have been at home. We enjoyed looking at all of the flags! We spotted lots of stars on the various flags. Which shapes did you see?

Last weekend, we took Merlin on a long walk around the coastal area of Folkestone. It was a very windy day! I think he was enjoying it though as he has a huge smile on his face in the picture! I wonder if you have been going for any walks in your local area or perhaps you have driven to somewhere new to explore! If you have been on a lovely walk, I would love to see where you have been on Class Dojo!

This week I enjoyed reading **Stanley's Stick** written by John Hegley and illustrated by Neal Layton. I really enjoyed how the stick transformed into lots of useful and interesting things for Stanley to use and play with! Perhaps you could find a stick and see what it could transform into.

I'd like to invite you take part in the 'Silly Squad' Summer Reading Challenge. The focus of this theme is funny books, happiness and things that make us laugh. It looks like lots of fun! I have attached a sheet with further details.

Take care,

Mrs Elgar
